XYLON IS BEATEN IN SARATOGA FEATURE

Fellowship Scores in Big Killing From Classy Field-Wistful Wins.

Saratoga, Springs, N. Y., Aug. 25.— Another big "killing," the second of the meeting, was made here today, when Fellowship, owned by John E. Madden, and opening at 40 to 1, defeated Xylon, the prohibitive 1-0 favorite. Fellowship was backed down under a pile of long green to 8 to 1, and beat Xylon by seven-teen lengths. The latter bolted across the track after the barrier flew up, and gave Fellowship his chance. Both big coups at this meeting had been engineer-ed by Madden. The last time Nebraska

was put across. Wistful found the soft track to her liging in the sixth race, and won handily.

PREPARING FOR BATTLE

battle yet ten days away. Charley White and Freddie Welsh are in the full swing of strenuous training for their championship mill here on Labor Day.

Welsh is taking unusual precautions to guard his hands. Every day before Freddie dons the gloves he wraps his hands with great care, and during his boxing is careful not to do any slugging. So fearful is he of his maulers that he has wired Lloyds for their rates of insuring each of his fingers for \$2,000, or \$30,000 in all.

Just about the time that the Giants had cinched the trade for "Slim" Sallee, of the Cardinals, Charlie made loud noises like a prospective purchaser. A bit later when the Mathewson-Herzog deal was all but consummated, Charlie rushed forth and said something about paying \$20,000 for Herzog.

As you will notice, Charlie has the habit of holding off his bids until it is quite certain they won't be accepted. Then he shoves them in with a hurrah and prestot He gets the desired publicity.

Pressmen to Play.

KILBANE-CHANEY

And maybe he can fight,
But Chaney totes a "bacon" blow
Which seems to say "good
night." Kilbane has science, that we know

So if they don't tincan around This nifty little pair Or twain of pugs both world re-nowned The scrap should be a "bear."

Kilbane, perhaps, when in the

fray On points will try to score, But Chaney has been built to stay And with them wipe the floor. Hence if the "champ" can't stand the gaff

Which his way will be tossed The row will make all bugdom laugh, And they'll yell, "'twas a frost." -John F. Herne.

Betting was allowed throughout Maryland several years ago until a ruling by the Circuit Court which made it unless sanction was received from the court. Books have been running in Prince Henry County under the same law which exists in Montgomery County, only the fair officials have not taken the initiative in Montgomery County. Attorney Robert Peters, counsel for the Montgomery Fair Association, informed the officials that the present law would allow bookmaking, because the Circuit Court had failed to recognize the antibetting rule and would take no action.

WM. BARNHARDT & CO. success to accomplish this purpose year those manufacturers who have Majors Recall 103 Players.

Cincinnati, Ohio, Aug. 25.—One hundered and three players who were sold to minor league clubs by major league teams under optional agreements which provided for their recall on August 15, will be back in major league company. The National Baseball Commission today announced that forty of these options had been exercised by National League clubs and sixty-three by American League clubs.

Year those manufacturers who have brought out their next year's models or made the announcement of them have evidently succeeded in overcoming this obstacle. It has been done in some instances oy doing away with the wooden sill which runs underneath the body and building the car body right on the frame. Decreasing the size of the tires has been another method employed. A different arrangement of the springs and in some cases an entirely new type spring suspension has been the means adopted. A slight increase in wheel base is another. League clubs.

Makes New Golf Record.

Manchester, Vt., Aug. 25.—George Van Buren, of the Englewood Golf Club, played the 181-yard sixth hole of the Ekwanok course in a single stroke, thus establishing a record for the hole and at the same time reducing the selected hole score of the course from thirty-seven to thirty-six. The feat is remarkable in that during seventeen years of play the hole has never previously yield-by being lead to believe that it was posed a one
